**Henry is immediately interested (yet skeptical),
because College Compass promises to:
MATCH popular Careers to HIS unique Personality!**

Henry's Personality Results call him the "Inspector"

The Inspector

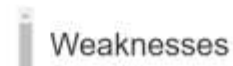

Personality Scores

Extrovert %	47.5	vs	Introvert %	52.5
Intuitive %	47.5	vs	Sensing %	52.5
Thinking %	57.5	vs	Feeling %	42.5
Perceiving %	40	vs	Judging %	60

* % Greater than 70% indicate strong traits.

Personality Overview

ISTJ - (Introversion, Sensing, Thinking, Judging) You are known as the "the duty fulfiller", "the examiner" or the "inspector". You are a reserved individual who values security and have a strong sense of duty. Your inner motivation is to perform the task at hand precisely and you will generally succeed. You place a great deal of importance on integrity and loyalty. You are a "good citizen" of our nation who does what is right for families and communities. You are the "warrior" of our world who often chooses military or law enforcement careers.

Provides: A Personality Overview, Strengths, Weaknesses, Learning Strategies and Learning Styles

Aerospace Engineering and Operations Technician

Rank this Career: Really Like

How to Become?

Many employers prefer to hire aerospace engineering and operations technicians who have earned an associates degree in engineering technology or who have completed vocational-technical education in computer programming or robotics and machining. Prospective technicians also may earn certificates or diplomas offered by vocational or technical schools. Some aerospace engineering and operations technicians must have security clearances to work on projects related to national defense.

What excites you about this career?	I get to fix and upgrade air planes and different pieces of them. My uncle Gerald did this.
What do you NOT like about this career?	Not getting to actually fly the planes. But, I can get a pilots license because it pays well.
